Photography/Videoin

OPIDF ruling 6.6 (b) states: For attendees, there is strictly no videoing or photography permitted whilst dancers are competing. This excludes overall grade/champion of champions competitions, results and presentations.

Unauthorised photography or videoing is strictly prohibited. By agreeing to attend an OPIDF event, you are hereby agreeing to comply to this rule. Failure to do so results in the following:

- You will be asked to remove the video/photograph from the device.
- Failing this, you will be asked to leave the competition premises.

Permitted images and videos captured (e.g. during results presentations) may only be taken for personal use. They may not be sold or passed on to third parties.

By agreeing to attend an OPIDF event, you are authorising your permission for OPIDF to use your child's photograph (taken by DBS cleared members of our team) for promotional purposes on the federation website, marketing materials and social media platforms.

Anyone wishing not to be photographed/videoed must inform OPIDF prior to event attendance.
